# notes from the director for *Frozen KIDS*

---

---

It was such a pleasure to work with this talented staff and cast, however, due to my husband's illness, I was forced to turn the show over to Heather and the great staff. I'm so proud of all the cast and crew for putting together this fun show!

Dee Baldock

*Frozen* is ultimately a story about the love between two sisters, and it holds a special place in my heart. The original movie came out in 2013 right before my second daughter was born and that was the beginning of my two girl's sisterly bond. I still remember my older daughter singing all the songs to my younger daughter and feeling that I was witnessing something very special between the two of them that was, and still is, a strong and unique bond. That is why I am so excited that the first show I have ever directed is *Frozen KIDS*. It is a powerful story that has great themes of family, authenticity, dreaming big, and of course, love.

First and foremost, I would like to dedicate this show to my co-director Dee Baldock. It has been such a gift to be able to work alongside Dee in directing. I have learned so much from Dee who has so much experience, patience, and talent. Thank you for choosing me as your co-director. Miss you, and hope you enjoy the show.

This show would not have been possible without my amazing staff members. Sarah, you are probably the most organized person I know, thank you for always keeping everything running so smoothly! Anya, thank you for teaching our kids the beautiful songs of *Frozen KIDS* every week. The love you have for your students and your music is so inspiring. Natalie, it has been so fun seeing the choreography you have created for our show, the dances for each song are so creative! Mary, your talent as our costume director is such a huge gift, thank you for all the time and energy you put into creating such amazing costumes! To our assistants, Nicole, Aria, and Ella, thank you for showing up every week with such contagious energy! You make rehearsals run better, and you add so much fun! Nick, thank you for building our awesome set pieces, they add so much to our production! Thank you Marie for finding all the right props! Thank you to Brie and Callie for helping our kids learn the dances and making sure our kiddos are making all their entrances. A big thanks to Erin and Kinjal for helping out as our stage managers, those behind the scenes components are so important! Thank you to Steve for lighting our stage effortlessly, and to Dale and Tom, thank you for tackling the sound!

Finally, thank you to our AWESOME cast! I have had so much fun getting to know you and working on this show with each of you! You are a wonderful group of kids to work with, and I am so grateful that I get to be your Director! Each of you has worked very hard and now the audience gets to see the result of that hard work! You should be so proud of yourselves!

Enjoy the show!

# notes from the director for *Footloose YE*

---

---

*Footloose Youth Edition* has been a long time coming to the VACT stage. This show was the middle school production canceled just a few weeks before performances, in March 2020, at the very beginning of the pandemic, and as such it has held a special place in our hearts at VACT. We were thrilled to finally be able to bring this show to the stage.

As usual, it takes so many wonderful people to bring these shows to life. Producer Elizabeth and I have worked together on so many shows now and she is always my rock in so many things, including making sure everything behind the scenes keeps humming. Ditto for Choreographer Alexa, who I have worked with since 2017, watching her go from a middle school helper to a fantastic lead choreographer and creative force. I was so thrilled to finally be able to work with wonderful Music Director Sue Mielke, who I have watched music direct so many VACT youth shows - finally glad I got my turn! Costume Director Claire Johnson is another creative genius, who costumed the first kids show I directed back in 2018, and has been a wonderful partner and collaborator on this show and so many others since. I was excited to get to bring in an assistant director for the first time on this show and so thrilled that Liz McCartney jumped right in and learned the ropes fabulously. We were lucky enough to have the 2020 *Footloose* Ariel, Maizy, working as a production assistant, and the 2020 Wendy Jo, Ruby, as our music assistant. How special to have these former cast members get to pass on their experiences to this new group. Stage Manager Bill Owens is yet another part of our amazing middle school team, always right there in helping things run smoothly backstage, and being a part of so many shows with this great team. This time he recruited another family member, and former VACT middle school cast member, Evan, as Assistant Stage Manager, as we always love families working together at VACT! Set Designer Josh returned to VACT after a long hiatus and it was great to bring him back and have him pitch in on this show. On the flip side, Lighting Designer Cera Malueg joined our team for the first time, bringing her talents to the VACT stage after recently working on another VACT show and we were so happy to have her join us! And perhaps our longest running team member, Sound Designer Dale Nickels, is always a welcome edition in ensuring our wonderful cast can be heard!

Of course, we couldn't bring this show to life without the support of all of the parents and families of our cast members. Thank you for allowing us to spend Sunday afternoons with your amazing kids. Finally, thank you to this stupendous cast. You were enthusiastic to the point I had to use a handheld mic for the first time ever during rehearsals, but I always loved the energy that I saw from you every week and I can't wait to work with you again.

There is a story that the writer of the movie *Footloose* took 22 drafts to get the original screenplay to completion and while it didn't take us that many tries to get this show to the stage, we are so happy that three and half years later we were finally able to bring this show to life! Everybody cut *Footloose*!

Thank you so much for attending *Frozen Kids* and *Footloose YE*. Like many arts organizations, the past several years caused many changes for VACT. Our regular operations were greatly disrupted and for the first time in VACT's almost 30 year history we were forced to cancel productions and stop operations. We are thrilled to again be bringing 10 live shows to the stage! We are so grateful for all of the support we received during the last several years. Every kind message, donation, and show of support has meant the world to us. VACT will always work to reach new theatrical heights alongside members of the greater Verona area and surrounding communities. We will also work to make our programs accessible to anyone with an interest in any of our programs or productions. Please consider making a donation to VACT and help us continue to bring theater and arts programming to the community.
